Membership details and benefits

As you have been coming to the club for a little while now, I would like to share details of our membership options, this letter should explain any questions you may have about membership and becoming a member.

The most common asked question is why should I become a member and what do I get? The answer is simple, becoming a member allows you to join the world's largest kickboxing organisation, the Cobra martial arts association, plus the club is for members to use and enjoy, and everyone using the club for more than 4-6 weeks must consider becoming a member. You have 2 membership options available, half member or full member.

With full membership you get:

- Kickboxing suit (trousers / shorts and club t-shirt)
- Licence and insurance (12 months CMAA membership, renewed annually after 12 months)
- Reduced weekly training fees
- Pay monthly options to reduce prices further (See separate page for details)
- Boxing gloves or hand wraps
- Ankle supports
- Your first grading costs (Belt and certificate)
- Lifetime membership to your club
- The one-off cost for this is £63.00

With half membership you get:

- Club t-shirt
- Licence and insurance (12 months CMAA membership, renewed annually after 12 months)
- Lifetime membership to your club
- The one-off cost for this is £38.00

The next page gives you an overview of what's included with each of the membership options.

The membership cost for either option can be spread over a number of months, and does not have to be paid for in one go.

If at some point in the future you wanted to change your membership type from half to full member, you can just pay the difference, and immediately get all of the kit and start enjoying all of the benefits that come with it.

Apart from the licence and insurance, the membership price is a one-off cost, and once paid the kit is all yours.

You will still have to pay your class fees to your instructor, and the licence is renewable on an annual basis and can be arranged through your instructor, and costs £12 for children and £15 for adults.

Thank you for your time for reading this letter, and should you wish to join our club, I hope you enjoy your time with us, because we are run by the members for the members.
